At the bottom of a quiet street "La Soledad", which ends in a large common green area, nestles this residence full of the Mexicanism that characterizes Colonial San Miguel de Allende, which will take only 15 minutes by car.Its ensuite master bedroom has a wonderful view from the large terrace, the two additional bedrooms are also comfortable and inviting to a peaceful rest, with access to the garden terrace with its columned kiosk-type gazebo that overlooks the pond. But truly relevant is the social area with its fireplace, dining room, bar, and impressive view from its terraces. But for gastrophylus, the kitchen is the best one!The service and laundry area do not give rise to envy and neither do its three covered parking spaces.
