Palo Azul 3 Recently built, well constructed, three bedroom home in an up and coming gated community. Palo Azul 3 is on a premium view lot overlooking the city. Enjoy the spectacular, and perfectly framed view of the Parrochia, and all of San Miguel, from the spacious second floor patio and deck perched high above the city. The location feels remote, but is only 3 km from City Market and only 1.6 km to Liverpool! This home is in a secure enclosed compound, with parking for two cars and large, private front yard. Also featured is a rear yard overlooking the city. This home is complete and comfortable, but there is plenty of room for expansion. Much bigger and more elaborate homes are being built in the neighborhood.
