Wooden beams and terracotta ceilings lend warmth to every corner. The living room features a double-height ceiling and a corner fireplace that invites you to linger on cool evenings. The clay tile floors and the staircase with Talavera tile details add an artisanal touch that is evident from the moment you enter. The dining room, with its arched openings and round wooden table, opens onto a tiled kitchen with turquoise and green cabinetry, rich in color and character. The primary bedroom has its own fireplace, large windows, and access to a terrace with views of the city. A home to enjoy the San Miguel style every day, close to everything and with the tranquility of Arcos de San Miguel.
