Located on La Cuesta de San José, uphill from the center of town, this partially furnished home offers beautiful views of Centro and the city. Set on a 200 m^2 lot with 288 m^2 of construction, the property features two bedrooms and two bathrooms, along with two walk-in closets. It also includes three versatile studios and plenty of storage throughout the home.The first floor features a garage with space for one car and an ATV, along with two additional studios located off the garage. Both studios have low ceilings and offer flexible space for different uses.Stairs lead to the second floor, where the living room enjoys views of the Parroquia Church. The open-concept kitchen connects with the dining area, while this level also includes a patio area, the first bedroom, and a bathroom.The third floor features the second bedroom and an additional studio connected to a terrace, where you can enjoy views of the Parroquia Church and the surrounding city.The property also includes a laundry area and a pressurized water...
