### Zaca House

**ID:** 8169 **Price:** \$ 1,500,000 USD

Casa Zaca is an elegant yet comfortable home in the highly sought after flat-walking area of Centro. Its history began many years ago as a two-room bilingual school and was later transformed into a charming three bedroom and three and a half bathroom private home. A total, top-to-bottom renovation and remodel was completed using only the best-of-the-best architects, contractors and landscape designer. The stunning result brings to mind an upscale boutique hotel while keeping the charm of Colonial Mexico.
