Casa La Vista is a Mexican-style house – with all the modern luxury conveniences. This casa is perfect for a buyer who wants to experience the authentic culture of San Miguel de Allende. Casa La Vista is located in Colonia of San Antonio, which is an authentic Mexican neighborhood of tiendas, churches and schools, and is a short 15 minute stroll into Centro. This two-story home with a fantastic roof terrace is centered around two interior outdoor courtyards. The first courtyard has a “Crying Wall” – a waterfall that flows vertically down one side, bringing the soothing murmur of falling water and natural light into the interior.
