A Mexican "tenango" is a colorful, hand-embroidered cloth that typically depicts cheerful birds in motion. An intricate "tenango" hangs over the living room sofa, and provides this lovely 2 bed/2 bath condo its Mexican charm and personality. Located in the newly constructed gated development of La Serena, it is a 10-minute drive to the Jardin, and close to La Comer and City Market. The condo is tastefully decorated with superior details such as sofa-bed, two smart TV's, smart lights and Alexa. It is fully furnished and equipped and perfect for a long-term lease. Rental rate: $22,000.00 pesos per month. HOA Fee included. Bills separate. Welcome pets!
