Discretely hidden from the street by a rock wall such as one would find in an old monastery, in the prestigious Malanquin Golf and Country Club, find Casa Ojo del Sol – an oasis of privacy and comfort where Monarch butterflies frolic in the gardens. Wooden shuttered French doors and symmetrical upper windows set the tone for the graceful proportions in Casa Ojo del Sol with its artisanal craftsmanship in carved cantera stone, natural wood and tile throughout, all creating a sense of history and elegance.
