This Fixer upper has a lot of potential, most of the construction is in good shape, the entrance is a historic ruin which makes it valuable, and 10 m2 are for tear it down. The sellers project is a house with 3 bedrooms, at least 3 bathrooms, nice open layout for the kitchen, dining room, and living room, with a bedroom downstairs. It has a couple of open areas, and it is located in the heart of San Miguel. Make an appointment to see it!
