

Lote El Cielo

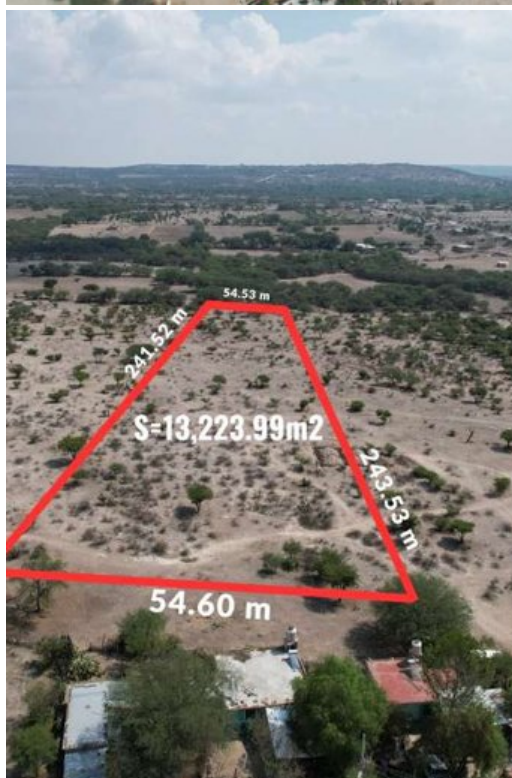

\$6,000,000 MXN

MAIN FEATURES

- Ref: 6803
- Size Land: 31.2 acres

On the tour to the lot, local people told us about the ancestral stories, anecdotes, rites and festivities that take place in each of the nearby chapels. The lot is located near the Laja river (an important tributary in the past). The road is mostly paved but there is a stretch of dirt where the nopales, mezquites, huizaches and some cacti delineate the landscape that is complemented by small houses, some "tienditas" and the beautiful chapels that can be seen on its way.
