<p>Near the mountains, in one of the best preserved green areas of San Miguel de Allende and only 20 minutes driving from the center, is the eco-sustainable project "El Toreador". It is an area enclosed with natural fences ; of 3 ha. in total divided into 22 lots of 1,000m2. This house is one of the first ready to be delivered, which offers you the opportunity to acquire an adjoining lot to grow what in itself is already an extraordinary garden for any project you have in mind: orchard, farm, trees, greenhouse, horses . The house has a comfortable and reliable design on one level with an open common area. Full of light, with doors and windows that allow
