An incredible opportunity to own a newly constructed contemporary gem. The builder's attention to detail and quest for hand-made craftsmanship round out this 3 Bed + 3 Bath + 3 half Bath home. The ground level includes a secure and spacious walk-in entry with heavy doors. The house opens to the living room with fireplace and dining room. Off the living room is a separate sleek and stylish kitchen with ample storage and polished concrete counter tops. Also on the first floor is a half bath for guests and a spacious master
