This enchanting home, just minutes away from downtown San Miguel, is a lovely option for people who want to experience living in the heart of Mexico, within an Indigenous community of great traditions, close to horse facilities, trekking paths, a reservoir where you can kayak, old chapels, and horses and sheep grazing in the fields around it. Near the house there are several "tienditas" or corner stores where to buy groceries, and 5 minutes by car or 20 walking, there is a world class supermarket. This lovely house has the potential to convert the last room after you cross the back patio into a studio or small casita, to provide extra income to its owners. Cable Internet
