Tucked back on a quiet cul-de-sac in colonia La Luz is this charming three bedroom/three bath home. The open living-dining area is surrounded by french doors looking out to a beautiful back garden area with fountain. There is also a second smaller garden with fountain that is accessed by the living area and the guest bedroom. Both the guest and master bedrooms access the back garden. There is a bodega for storing all gardening tools. The third bedroom is located on the second floor. It is so sweet, cozy, and adorable with its own private small full bath. There is also a second living area (balcony) that looks down on the lower living space.
