Opportunity!
Beautiful land at the foot of the road on the road that goes from San Miguel to Jalpa, a few meters from Sosnabar. It has 50 m of frontage (San Miguel to Jalpa highway) and 109.13 m deep. It has a spectacular view of the mountains and a few meters from the picturesque town of Sosnaba, excellent for those seeking tranquility and contact with nature, although very close to San Miguel, just 18 minutes by car. It is one of the few lands for sale on the road. Excellent investment opportunity!
