Casa Jazmín, is located in Pueblo Antiguo subdivision, the house has been built a few years and has been kept impeccable. The living room has a double-height ceiling which gives spaciousness and elegance to this space of the house, as well as the windows overlooking a charming patio with a weeping wall that gives a feeling of tranquility. On the first level we can find the living room, dining room, guest bathroom and a study (office) also with a view of the house's patio. The kitchen has a spacious and open design to the dining room, the pantry and laundry space are also spacious. One of the main comforts of the house is that it has the
