Project in harmony with nature. Land of 1,250 square meters each. With houses in sacred geometry. Edible gardens. Biodigester. Small fruit forest fed by the biodigester. Pool, pergola, wine cellar, view tower and a dome. But it is suggested that there be three or four houses. To rent two and for the property to have a return on investment in a very short time and be totally self-sufficient. On the one hand, nutritionally and on the other, economically fruitful. We have several models, in each of the
