<p>Comfortable Casita for a single person or a couple.</p> <p>Atascadero is one of the best neighborhoods close to Centro. This lovely home is located at 20-25 min walking distance from El Jardín, the main square, where you can find multiple delicious restaurants, art galleries, shops and more. </p> <p>The casita has a loft style where you can find first a small patio between the street and the living room, then when you are inside you can see the dining and a
beautiful fully equipped kitchen with a built in laundry. The bedroom is divided from the rest of the casita with a non full wall, so from the living room and bedroom you can see a charming fireplace that faces both areas, so the heat will warm everywhere</p>
