<p>Condo Cecilia is located in the La Parroquia subdivision, one of the best locations, a few minutes from the city center, shopping malls, schools, hospitals, etc. The apartment has only recently been built, located on the second floor in a building with 6 apartments, due to its location you will enjoy impressive views from the two bedrooms since behind the building are the mountains and a small stream. It has two bedrooms with closets, a full kitchen, a full bathroom and a small laundry room. A great opportunity and investment or ideal for small families
