“One of a kind”, is an often-used phrase, but this is truly One of a Kind! This newly renovated, modern space located just two blocks from the Jardin, and the iconic Centro Histórico of San Miguel de Allende is the perfect place to relax in luxury while being steps away from all the best shops, restaurants, coffee shops and galleries in San Miguel. This new boutique luxury condo development consists of 10 luxury units, each uniquely special. The Loft is truly special with high ceilings and hardwood floors, in-unit laundry. The living space is open with Italian kitchen and high-end appliances, living room and dining area. On the first level you also find a full bathroom perfect for overflow guest accommodations. On the loft level you find the sleeping area en suite with spa
