Introducing "The Tree House," a distinctive modern-industrial marvel located in the heart of Colonia Independencia. Unlike the traditional San Miguel style homes, this avant-garde residence seamlessly combines elements of industrial aesthetics and luxury details, creating a unique and captivating living experience. As you approach, the exterior of The Tree House hints at its modern character. A small garage for an ATV adds a practical touch, setting the tone for a residence that seamlessly blends form and function. Step into the ground level, where a double-height ceiling in the living area welcomes you
