Open design with natural light and modern kitchen concept and design. This up and coming neighborhood offers easy access to the Libramiento as well as a 180° view to the West of the Presa, the mountains toward Guanajuato and the Picachos. Wonderful flow throughout with central courtyard, off-street parking, contemporary bathrooms with tub in master. Two bedroom suites with a separate large office with great views. The whole house is bathed in natural light. Plus a large rooftop terrace. This is a house by Fiona Cunningham. Her designs are characterized by a spacious flow from room to room, by abundant natural light, by strikingly designed and
