Casa Capricho is a spectacular house located in Las Ventanas. It is so elegant and sophisticated with high end quality finishes all around. As you would expect from a nearly \$3 million listing, this is a very large house with over 1000 finished m<sup>2</sup> of high-quality, A+ construction. This includes 5 rooms each with its own en suite bathroom and mini splits in all the bedrooms. High ceilings, lots of glass and natural light. The home is filled with natural earth tones and beautiful stonework throughout... but the woodwork is spectacular. The high-quality furnishings in in this home
