Singer Tom Jones isn't the only one wistful about the Green Green Grass of Home—yes, that was a golf song—just looking at the fairway views abutting this home will make you envious of the perpetually green vistas from every room in this luxury estate! Boasting 45-meter frontage on the 4th fairway of the Nick Faldo-designed Las Ventanas golf course, this first-time-on-the-market 11-year-old home boasts all the luxury amenities of a newer home with the Spanish Colonial natural Mexican touches we all adore, like travertine stone floors, boveda ceilings, and carved cantera stone
