Casa Proserpina: A Historic Gem in the Heart of San Miguel de Allende
Welcome to Casa Proserpina. In Greek mythology, the goddess Persephone (or "Proserpina" as the Romans called her) symbolized the return of spring, a time of renewal and rebirth. Casa Proserpina, housed in an 18th-century colonial building, embodies this spirit. Reborn as a luxury retreat, it is a perfect blend of history and contemporary design – a true harmony between old-world charm and modern sophistication.
