Country living 25 minutes from town. If you love SMA but don't want to live in the midst of all the hustle and bustle, this is the house for you. Sit on your expensive patio with stunning views of San Miguel's rolling hillsides. Lovely one bedroom, one and a half bath property on a low maintenance shy one-third acre (approx. 1306 square meters) designed using all-natural landscaping. Are you a gardener? A garden patch was established using organic soil and methods. Horses? A covered corral awaits one or two horses, too. No
