- Size Land: 3,927 ft²

Welcome to Casa Que Canta: The House That Sings Nestled in the heart of historic Centro, this stunning San Miguel de Allende home remodeled by interior designer Marcia Brown and architect Nicole Bisgaard, offers an enchanting blend of colonial charm and modern comfort. Birds sing in the lush, verdant garden, where a serene fountain graced by a statue of the Virgin of Guadalupe in a cantera niche invites moments of reflection. Almost every room in the house has a unique garden view.
