- Size Land: 4,638 ft²

Discover a Legacy in the Heart of San Miguel de Allende Located in the dynamic Centro Histórico of San Miguel de Allende, Casa de la Espiga and Casa de las Estrellas offer a rare opportunity to own a piece of the town's history. Built in 1717, Casa de la Espiga was once one of the first bustling bakeries in San Miguel de Allende, and its original stonework, arches, and bakery sign still bear witness to its storied past.
