Callejon de Quixote is one of the most attractive, exclusive and tranquil streets in all of San Miguel. To get to Centro, you walk along the Cañadita de los Aguacates, a winding lane with stone walls and mature trees. It is only a ten minute walk to many shops and the beautiful Parque Juarez. The house itself is an elegant two bedroom two and a half bath hideaway with carport for one car. There is an ample garden and spacious roof terrace. The charming living room has a beamed cathedral ceiling and both bedrooms feature vaulted brick ceilings. An alcove off the principal bedroom features an office space. This property is all on one level
