Welcome to Casa Arcángeles. This soft contemporary three bedroom en-suite and two half baths has top finishes throughout. Each bedroom has splits and electric blinds. There is a beautiful stone Cantera fireplace in the cozy living room right off the dining room. As you enter in the home, you will find a powder room right off of the entry. The floors are of travertine marble and great storage throughout, including a two car garage. There is a nice rooftop area as well, perfect for those afternoon bbq's and entertaining. This, also, is where the other half bath is located. This home is easy access right off of Salida Querétaro and near La Luciernaga... One
