Located: Colonia Palmita, one of the oldest colonias in all of San Miguel. Colonia Palmita through the years has embraced the old with the new and illustrates the way the "True San Miguel de Allende" going forward into the future. Casa Arboretum is more than a stand of old growth trees, actually it is series of paths and patios connecting for rare sense of tranquil connectiveness. Still, it is more than just a stand of large shade trees, but a wonderful pallet of colors with the varied flowers changing colors as the day deepens.
