Marroquín de Abajo is an environment surrounded by spectacular landscapes, with hills, fields, and lush vegetation, making it an ideal place for those seeking tranquility and a connection with nature. Just a few minutes from San Miguel de Allende, it allows for a rural lifestyle while enjoying the conveniences of the city just a short drive away. Its location within the so-called "Golden Corridor" makes it attractive and interesting for equestrian projects, country residential developments, vineyards, event venues, or mixed-use projects. The area has seen an increase in the development of luxury residences, many of which are designed to take advantage of the panoramic views and natural surroundings. The water supply, and in some areas even thermal waters, allows
