Villas Hatso is a small complex of VILLAS with stately colonial architecture located just a few minutes drive from downtown San Miguel and a stone's throw from hospitals, banks, schools, sports clubs, hotels, shopping centers and main exits of the city. Its elegance, convenient location and harmonious comfort allow its use as a permanent residence, weekend home or as an investment property to be rented as a vacation home. This town house is part of a small set of 8 identical units that share a common reception area, pool, Jacuzzi, night surveillance, weekly cleaning of the property and parking space per unit. Its roof terrace and pool area allow you to enjoy the outdoors
