We are honored to present Bella Vista, a spectacular new 4 bed / 4.5 bath home featuring large gardens, an infinity pool, and dramatic views of Centro skylines and western mountains from multiple levels. Located just 5 minutes drive from Centro in the exclusive community of La Bella, the property is an exemplar of the Mexican contemporary style with hand-hewn stone walls, wood beamed ceilings, and enormous plate glass windows that bathe the spacious and comfortable interiors in a soft natural light. The considerable 751m<sup>2</sup> lot sits directly above the Parque Zefferino and the new commercial development of Pueblo Bonito in an area that is poised to become one of San Miguel's most
