Step into a property full of character and possibilities, surrounded by a generous lush garden that invite relaxation and creativity. This estate features three distinct buildings, each with its own old charm, making it ideal as a private residence, however, the thoughtful layout and abundant spaces make it equally suitable to be reimaged as a boutique hotel, a graceful retirement residence, or an Airbnb retreat.

The first building offers an open-concept layout that combines the living room, kitchen, and bedroom in a studio-style design, perfect for comfortable everyday living or hosting guests.
