

## Pre Sale Home in La Providencia Vida de Campo

**\$17,600,000 MXN**

### CARACTERÍSTICAS

- Ref: 9947
- Habitaciones: 3
- Baños: 3
- Superficie: 5,122 ft<sup>2</sup>
- Terreno: 13,741 ft<sup>2</sup>

Built on what is considered the most beautiful lot in La Providencia Vida de Campo, this pre-sale home is surrounded by mature trees and features one of the largest huizaches you'll ever see. The architecture blends effortlessly with nature, framing the sweeping views of the Picacho mountains. Sunlight, open space, and design come together to create a home that feels peaceful, organic, and deeply connected to the land.
