Taller del Artista is a unique property located directly on the Exit to Celaya, one of the most important accesses to San Miguel de Allende, in front of a gas station and just after the return of the Los Frailes traffic light. Its excellent visibility, high traffic flow and proximity to the Center make it a strategic option for commercial or mixed-use projects. Originally the workshop of a traditional San Miguel artisan, Taller del Artista preserves a strong creative heritage that gives it identity and character. The property lends itself naturally to developing a restaurant with a tree-lined patio, a commercial premises in the front with apartments or studios
