Casa Angélica is a 358 m² development lot located on 28 de Abril Street in San Antonio Sur, one of San Miguel de Allende's most desirable and walkable neighborhoods. Steps from Sterling Dickinson Avenue, Instituto Allende, and Mercado Sano, the property offers a prime location for a boutique residential project or modern home. With the existing structure ready for demolition, this is a rare opportunity for investors, architects, and developers to build in a highly sought-after area close to Centro.
