This home was previously owned by the beloved woman who put theater on the map in San Miguel de Allende... full of parties and laughter. It can be again with a landscaped back garden and second level deck with bar, setting the stage for perfect gatherings - not to mention the comfort of a substantial, well-designed home. Downstairs is a large kitchen, dining room, rock-walled front room with fireplace, full bath, guest room and en-suite master bedroom opening to the back garden. Upstairs is deck with bar, office/bedroom, laundry and exceptionally large master bedroom with en-suite bath, fireplace and floor to ceiling windows. Mexican
