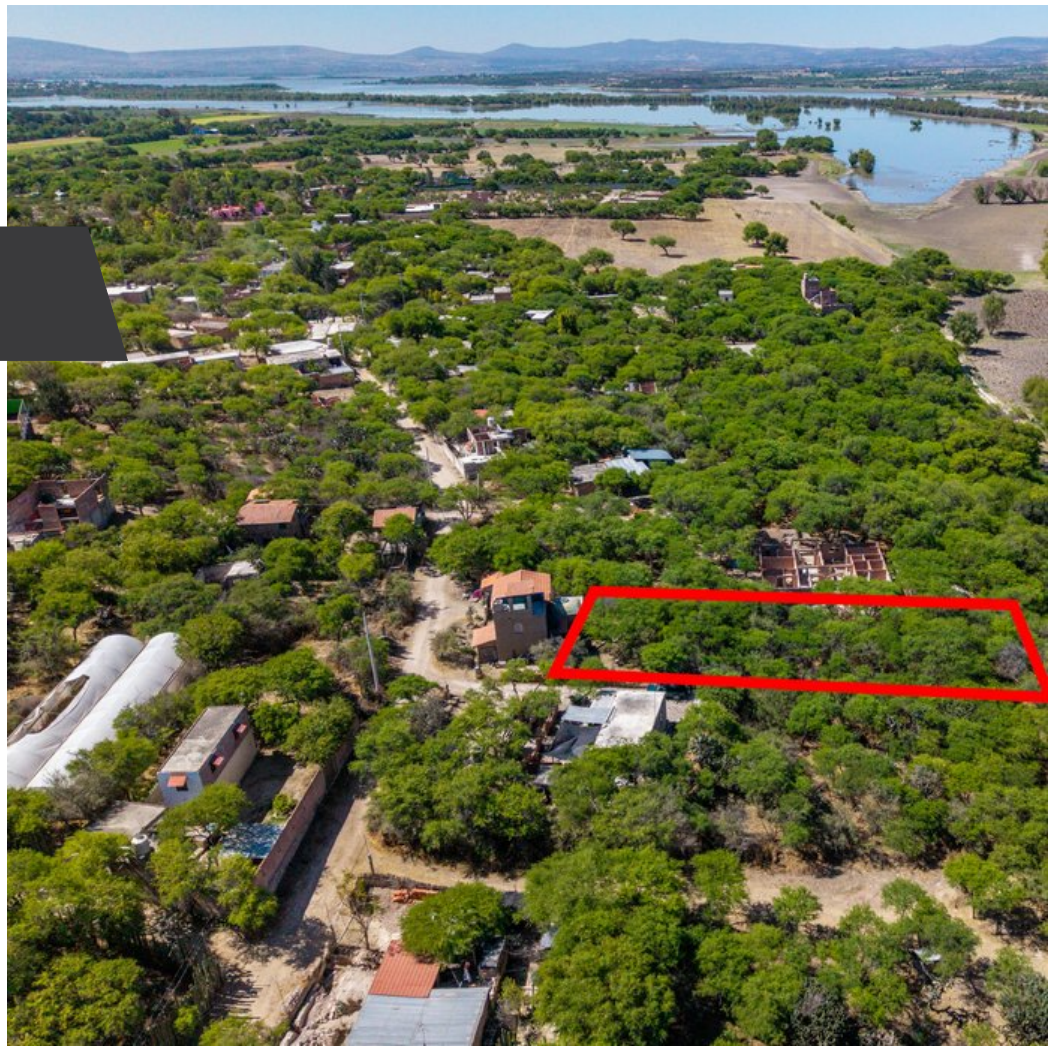
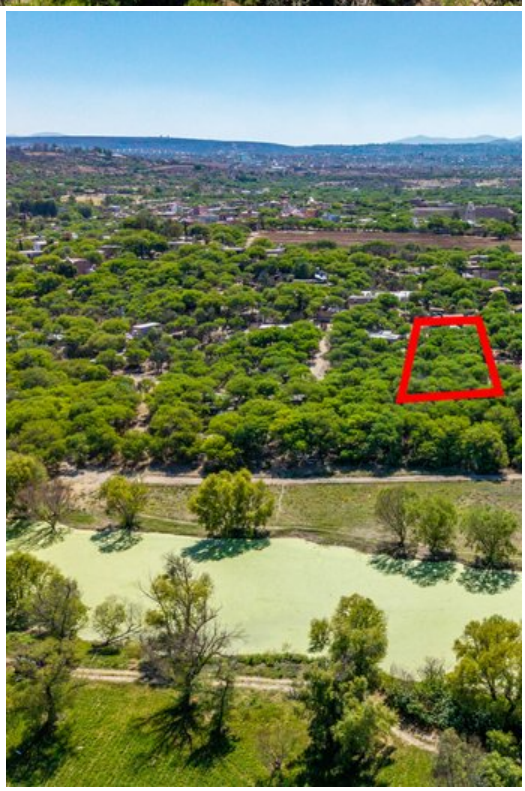
# Piece of land in Los Lopez, near the river, the dam, and the historic Silver

## $1,475,000 MXN

**Los Lopez**





## MAIN FEATURES

- Ref: 10697
- Size Land: 16,813 ft$^2$

If you have been dreaming of a life surrounded by nature, this expansive 1,562-square-meter lot offers the perfect canvas. Imagine waking up to the sound of the birds and the sight of mature trees swaying right outside your windows. This property is a rare find for those who value privacy and a connection to the land. The lush grounds stay green throughout the year, thanks to the nearby Allende dam and the constant presence of the river. History buffs and nature enthusiasts will appreciate the local character. Less than 100 meters away, you can explore the ruins of an ancient colonial bridge, a silent testament to the area's rich past along the historic
