Centro

MAIN FEATURES

- Ref: 10920
- Size Land: 6,691 ft²

Lot 8 !! The ideal setting to build your countryside home, strategically located along the prestigious Golden Corridor that connects San Miguel de Allende and Dolores Hidalgo. This lot stands out for its focus on well-being, harmony, and exclusivity, offering residents the opportunity to live surrounded by nature. Premium amenities include natural trails, a community orchard, a Clubhouse, and the unique privilege of direct thermal water access within the property. It represents the perfect balance between patrimonial security, regional connectivity, and an organic lifestyle.
