La Casa Vendimia is a project by Simpleco, a construction company that has built 80% of the houses in our developments, as well as our hotels, restaurants and wine bars, with great knowledge of the environment and how to achieve the benefits for its use. A large stone house on two levels, at the entrance a pleasant lobby, you go to the double-height room, a beautiful beamed ceiling that integrates the living room, dining room and kitchen to enjoy with the family, direct access to a covered terrace with a view to the sunsets of the picachos mountains that are unique. It has two main bedrooms and each one has its bathroom, dressing room,
