- Size Land: 1,130 ft²

If you have been looking for the perfect canvas to create your dream space, this property in San Antonio offers the ideal foundation. With its manageable scale and solid architectural integrity, it is a rare find for those eager to lead their own renovation project.

The house features three bedrooms and three full bathrooms spread across three levels. Every floor provides direct access to outdoor space, ensuring that even the most compact areas feel open, airy, and connected to the outdoors.

The current layout offers excellent bones, making it a straightforward upgrade project for a buyer with a clear vision. Whether you plan to flip the property
