- Bedrooms: 2
- Bathrooms: 3
- Size: 2,399 ft²
- Size Land: 2,668 ft²

Exceptional homes in Mexico City modern design. Rare here in San Miguel...until now, with the construction of Rincon de Sta. Maria, an exclusive new development of 23 homes designed and built by renowned architect Louis Sanchez Renero. Project plans include a hiking and bike trail along the river. Sanchez has created a community of condominiums that not only harmonize well with each other and the surrounding natural environment, but bring new meaning to the words "airy, open floor plan."
