5 Reasons why you should buy this house: 1) It's cheap! Only \$150,000 for an 800 m2 lot. 2) It's almost in the country, turning off the Caracol near SPASMA. So it's tranquil and private. 3) It's got a peaceful, easy feeling that you don't find everywhere. 4) It has 3 bedrooms, 2 bathrooms, and a studio, all with lots of light. 5) All the rooms are on one level, which makes things just a little easier. Unless otherwise noted price is in US Dollars
