"For under \$200,000 in the Centro, you will get a million dollar view from this charming 3 story Mexican casa! You will be "steps" away from stunning churches, graceful hot air balloons, flights of ibises in the morning and evening and even fireworks seem to be at your fingertips. This location provides all the visual beauty of San Miguel de Allende at it's best. The home includes talavera tile throughout, a beautiful canterra stone fireplace, double pane windows, blackout curtains, a new front door and a 'just refurbished' outside with stucco and paint. The location is one of the safest in SMA. . .so come have a look and see what we mean.
