Available for Lease 12 month or longer  
This beautiful unfurnished home has only one level and is located a flat walk from Centro, you won't have to navigate any stairs or hills. And the house itself provides a long list of features which add up to a very pleasant home: a detailed upgrade, so the kitchen and bathrooms feel fresh and new; a lush yard and patio which wraps all around the house and provides light from every angle; a loggia with built-in b-b-q; and lots of extras
