- Half Bathrooms: 3

Built in 1546, is the second oldest in the whole country, which makes it an old historical monument that stands proud as one of the few remaining authentic haciendas in Mexico. After being a family hacienda covering more than 400,000 hectares it became a fortress along the Silver Trail, It later was the summer home of the prestigious Count of the CANAL family who also owned the Allende Institute as their main home in San Miguel de Allende.
