

Producing Land close to San Miguel

\$1,050,000 USD

Corral de Piedras

MAIN FEATURES

- Ref: 3203
- Size Land: 222 acres

This is your opportunity to own up to 90 hectares (222 acres) of strong producing land. Located just 20 minutes away from Downtown San Miguel you will find this parcel equipped with a legal water well and with a great producing history of crops including garlic, onions, broccoli, spinach, corn, beans and much more. The property has easy access to main roads taking you to San Miguel, Queretaro, San Luis Potosi and Mexico City. The Well (legal) has an allotment of 220,000 cubic meters and the infrastructure to irrigate the crops
