Architecture aficionados, beware—this design jewel proves beguiling from the entry door! Evoking the best of modern architecture from Mexico, the USA and Europe, the home grants a gracious—and obvious—nod to architecture masters Frank Lloyd Wright, Charles Rennie Macintosh, Ludwig Mies van der Rohe and Ricardo Legorreta. Never before has San Miguel witnessed a home with such tall and grandiose “corner-turning windows” (Wright himself coined the phrase for a glass corner where a column would normally stand) that opens the home visually to the lush Rob
